

Meet the Freewheelers!

1959 Cadillac Eldorado Biarritz

The Freewheelers Car Club welcomes everyone with an interest and passion for the automobile. As the nation's original gay & lesbian automotive enthusiast's club, we reflect the diversity of our membership with the diversity of our club's classic, vintage and collectible cars. Since our founding in 1978, the Freewheelers has grown to over 400 members and 1,700 cars.

Ownership of a classic or collectible car is not required for membership - but be prepared to meet a lot of fun people, see some of California's most unique and special places, and share many smiles along the miles. Gay or straight, new or old, foreign or domestic, this is the club for the auto enthusiast!
