

Threatening clouds didn't deter Freewheelers from participating in the first drive tour of 2016!

First Drive Tour of 2016 was a Sweet Trifecta!

— by Gregg Cannella

Sunday, March 20th dawned bright and sunny for the sweet Trifecta Tour in the East Bay! The first stop of the tour was to Specialty Auto Sales in Benicia. The team at Specialty welcomed and opened the doors to the show room to allow Freewheelers to walk through and drool over some of the classic autos on site.

Once the Krispie Cremes and coffee were consumed the 40 attendees traveled to Fairfield to visit the World Famous Jelly Belly Factory! With the threat of storm clouds looming overhead the group made its way to the factory to seek out some sweet treats. Some Freewheelers took the factory tour; others went to the factory "Candy Store," while others sought out a place to grab lunch.

At this point the clouds opened up and a full rain storm was upon us! Our spirits weren't dampened though, and the group made its way to the last leg of our journey to Specialty Auto Sales in Fairfield. The team at Specialty really went out of their way to make the group feel welcomed by offering cookies and coffee for an afternoon pick-me-up! A nice variety of cars from the '50s and '60s were in the showroom and folks were able to take their time and resume drooling over some more great examples!

The rains began to lighten up as the late afternoon approached and we made our way to our cars. A special thank you to the team at Specialty Auto Sales for opening their doors on what would normally be a closed day and making the group feel welcomed.

(Editor's Note: Special thanks to Gregg Cannella and Sueko Takahashi for putting this event together!)

President's Message

Well, El Nino may not have brought the torrential storms that were prognosticated by every weather person on television, but spring has finally sprung and summer is just around the corner. Of course this means it's time to pull your classics out of storage and start doing those weekend cruises.

And what better way to start the season than with a North Bay tour in Solano county. This month we'll be doing a back roads country drive for our first ever olive oil tasting. One of the biggest requests we had at the Annual Business Meeting was to have more actual drive tours and this one sounds like it's going to be a lot of fun!

The other big news is of course West Coast Meet. I can't believe it's just a few months away and if you haven't registered yet be sure to do so. We will be posting a list of activities and events on the Freewheelers website for the big weekend so you can see what to expect and plan your days accordingly. It's going to be a fun and active weekend so you definitely will not want to miss out this year!

I also want to again thank all those club members who have volunteered their time and effort in putting together our monthly drive tours and WCM activities. You really are the reason we have such a great club! Until the next meet, happy motoring!

Olive Oyl's Green Valley Drive and Olive Tasting Tour

Join your fellow Freewheelers on Sunday, May 22 for a lovely drive tour in the rolling hills of the Suisun Valley followed by olive oil tasting with food pairing and lunch at the Il Fiorello Olive Oil Company.

Il Fiorello is owned by Ann Fiorello Sievers and Mark Sievers. Ann is a third generation descendant of "The Chief," Dominic Fiorello, who immigrated to America in the 1860's. The Chief's family traces its roots from Sicily and Sant' Angelo D'alife, a village north of Naples. Today Ann continues to sustain family and friends with fruit, vegetables, preserves, and now exquisite California olive oil from the generosity of the land at their home in Green Valley and groves in Suisun Valley.

We'll meet at the Cordeiro's Steakhouse at 2025 Montecello Road, in Napa (entrance is the first gate just past the corner) at 9:30 a.m. Sunday morning for coffee, donuts and tire-kicking. Then we'll take a 30-45 minute back roads country drive tour through Wooden Valley, over the Vaca Mountains and down into Gordon Valley which is part of the officially designated Suisun Valley American Viti-cultural Area in Solano County.

The drive will culminate at the Il Fiorello Olive Oil Company where we'll enjoy food pairings and a catered lunch prepared just for us based on our choices by Chef Marvin. Wine tasting can be optional and can be added for an additional cost.

There are several local wineries that may be of interest individually afterwards that I would recommend for anybody who is interested. For more information on Il Fiorello, visit their webpage at <http://ilfiorello.com>.

Sunday, June 19 for the Sacramento Railroad Museum Tour and Lunch

We'll meet at the Sacramento Railroad Museum in Old Sacramento for a tour of the California State Railroad Museum. Throughout the six original buildings, we'll see 21 meticulously restored locomotives and cars and numerous exhibits that illustrate how railroads have shaped people's lives, the economy, and the unique culture of California and the West.

Included are a Pullman-style sleeping car, a dining car filled with railroad china, and a Railway Post Office that visitors can actually step aboard.

This will be a joint event with The Arcane Auto Society (the Arcane Car Club) of Northern California whose members will be bringing some of their more unique little cars, including Amphicars!

The tour will be followed by a prepared lunch at the nearby home of Scott Mikkelson and Todd Darling in Sacramento and perhaps even a ride or two along the river in the Amphicars. Details in next month's Flyer!

California Mille's Salute to Italy's Mille Miglia Take Four Days of Back Roads Adventure

Sixty-seven Historic Cars were displayed on Nob Hill on April 24, prior to the April 25 Departure in the 26th annual celebration of Italy's most-famous, open-road race, the Mille Miglia! Cars that qualified for Italy's thousand mile event arrived at San Francisco's Nob Hill from a dozen states and two foreign countries on Sunday, April 24, and the public was invited to see the cars and meet the drivers from 11 AM- 6 PM on Mason between California and Sacramento Streets.

Co-directors David and Howard Swig hosted a special presentation that afternoon, recalling how their father Martin Swig introduced the Mille to America, noting that "Northern California looks more like Italy than...Italy." Italian Consul General Mauro Battocchi greeted the fans and highlighted significant events in the Mille Miglia's history. The Swigs also took a roving microphone to Mason Street to detail production, styling and racing milestones, illustrated by the California Mille cars, while Ron Borelli's Italian Band entertained with appropriate music.

On Monday morning at 8:45, April 25, Italian Cultural Affairs director Paolo Barlera waved the Italian flag at the Partenza (departure) Arch spanning Mason Street at California, to officially start the four-day event. (Photos by Aaron Licursi)

Far Out Friday at West Coast Meet 2016

– by Frieda Freewheeler

“Glibby-glop-gloopy, nibby-nobby-noopy la-la-la-lo-lo!” >>SING OUT, LOUISE!<< “Sabba-sibby-sabba, nooby-abba-nabba, le-le-lo-lo!”

Good morning, Starshine! Get ready for a royally “tooby-ooby-walla” weekend of cool cars and camaraderie at West Coast Meet 2016 this July! Perennial Hippies Hibiscus and Starshine are taking the van to Atascadero this summer and meeting up with the world's oldest Go-Go Dancer, Periwinkle, to relive some of their past glories! And we hope you can join them because it's not just going to be a groovy car show, it's going to be a weekend chock full of fun-filled events!

If you haven't already registered, we offer this tantalizing tidbit for your consideration – our **Far Out Friday Extravaganza!** Get a load of this list of activities:

Friday morning, get ready for a magical mystery drive tour through the rolling hills of Atascadero...a beautiful drive for a convertible! The drive tour will take us to Atascadero Lake Park where we'll enjoy a catered lunch and impromptu car show!

After our return to the beautiful Springhill Marriott, we have a fun and frivolous swim-off between the Freewheelers and Great Autos swim teams in the hotel's lovely outdoor pool...so be sure and stop by for some synchronized swimming shenanigans! Maybe even volunteer to represent your club? In any event...consider bringing your swimwear!

From 4 to 6 pm, the hotel will have local wineries and breweries represented for wine and beer tasting of the local libations and for our imbibing pleasure! The bar will also be offering well drinks at special prices during that time! We even plan on having LIVE entertainment for everyone to enjoy on the outdoor terrace!

After happy hour, join us for the Friday dinner and show and enjoy a sumptuous meal, followed by some over-the-top silliness with our "eBay – the Price is Right" game show where YOU might have the opportunity to come on down and compete for fun and ridiculous prizes!

After the dinner and show, we've slated a **TRIFECTA** of evening events to choose from:

- ☞ Our Righteous Brothers from Great Autos will be hosting a special cocktail party.
- ☞ We'll have another campy '60s movie running on the outdoor theater screen for those who just want to sit, enjoy a beverage and reminisce.
- ☞ We'll also be holding a "Twilight Tail Light" contest in the rear parking lot adjacent to the patio with an award to be presented to the winner at the Saturday Awards Show! So if your car has bitchen tail lights...bring her on back and light 'em up!

Phew! That's quite a line-up...and that's just on Friday! We're anticipating balmy summer weather in Atascadero in July, so day and evening outdoor events should be a blast! You can partake in any or all of the Fun Friday Festivities so be sure to bring your Coppertone, Ray-Bans and Clamdiggers!

We've already had over 100 sign up for this year's event so be sure to get your registration form in today! You can find a form in this newsletter or register online at www.thefreewheelers.net/wcm2016. Next month, we'll have even more teasers...especially on Saturday's activities, so stay tuned!

Gregg Cannella's 1957 Continental Mark II welcomes Freewheelers to Benicia Specialty Auto Collection. Freewheelers enjoy some outdoor conversation before the rains came. The Benicia collection featured many vintages of classic cars including several Mercedes-Benzes. Kim Norback's 1951 Ford Victoria was perfectly paired with Jim Sinnes' 1955 Lincoln Capri. Battle of the Bills: Bill Rogstad's 1981 Cadillac Coupe de Ville Brougham d'Elegance vs. Bill Peachee's 1989 Coupe de Ville.

First-on-tours included Tom Ortiz's 1986 Lincoln Continental Givenchy and Clint Moore's 2016 Cadillac XTS. A caravan of classics makes its way into the Jelly Belly Factory parking lot where sweets-a-plenty awaited! The Fairfield Specialty Auto Collection also included several decades of beautiful cars in their showroom.
