

MEMBERSHIP GUIDELINES

1. When referring someone to the Club, notify the membership director to send an application to the prospective member.
2. Upon receipt of the completed application and membership dues, new members will be added to the mailing list to receive the club newsletter. New members will be listed periodically in the Club newsletter and included in the Club roster. New members will be introduced to the general membership at the following event they attend.
3. Notify the membership director of changes in address, or any other changes that should be in the Club roster.
4. If you have any suggestions or comments regarding the successful operation of the club, contact one of the Board-of-Directors and/or attend one of the board meetings. The board meets regularly during the year (see the Calendar of Events in the newsletter for meeting date) to discuss upcoming events, changes in procedures and any other issues. Your contribution and participation is strongly encouraged and always welcome.

RULES OF CONDUCT

AT ALL EVENTS:

1. Vehicles driven on Club events must have liability and property damage insurance and be operated only by licensed drivers. The Club assumes no liability for accidents occurring in connection with Club events and/or activities. The Club reserves the right to request proof of insurance and valid operator permits for those vehicles and drivers at Club events.
2. Certain events require expenditures by the Club that depend upon attendance by the membership. Thus, affirmative RSVP's are required for some Club events. When you RSVP, be sure to give your name and the names of your guests.
3. If you do not RSVP that you will attend an event that requires an RSVP, a surcharge may be added to the price of that event. If you RSVP that you will attend but do not, and you do not cancel your RSVP at least 24 hours prior to the event, you may still be charged for that day's event. You may not attend future events until fees owed for prior events have been paid.
4. When you arrive, register with the Registration Director or other person collecting payment for the day's event. After you have paid, you will receive a nametag to retain and wear during the day's event. This serves as a designation that you have paid.
5. Respect for others' property is of primary importance. Most Club members will be happy to let you tour their vehicles, but always ask permission first. Unless permitted by the owner, do not touch, lean against, sit on, or sit in any cars other than your own.
6. When Club members allow the use of their homes for Club events, remember that you are a guest in their house and behave accordingly. Disorderly conduct will not be tolerated.
