Sunshine prompted topless driving, including Jay Remick's first-on-tour 2006 Mercedes SL550.

Spring has Sprung at the Annual Planning and Business Meeting

— by Jay Remick

It certainly felt like spring at the Vallejo Yacht Club where we gathered once again to take a quick look back over the past year and a long look into the future. The skies were clear, temperature near 70 and many never before seen cars graced the parking lot. A beautiful day on the water with more than 64 in attendance.

We had spectacular tire kicking in the parking lot. The weather brought out many never seen before beauties. New member Matthew Lundberg arrived in his 1979 Lincoln Mark V collectors series in (get this) Midnight Blue Moondust Metallic. A gaggle* of red cars and owners included John McCue's newly acquired red 1985 Cadillac Eldorado Biarritz convertible, Bob Krambuhl's pristine red 2004 Saab convertible, Paul Baker and Scott Prickett brought a showroom condition 1961 Pontiac Tempest in Coronado Red, and finishing out the red cars, Scott Mikkelsen and Todd Darling swung in with their very red, very shiny 1990 Mercedes 300SL with a very rare standard shift. While not a red car, yours truly brought his 2006 Mercedes SL550 which following a household theme is silver over red.

Among the non-red cars, John Kiszla brought his near perfect 1931 Ford Model A Deluxe coupe and Ted Downer in his 1958 Edsel Pacer, it's exterior in 'before' condition. Other cars of note were Ray Menefee's 1937 DeSoto convertible which bit him on the hand during a carburetor adjustment, Brian Kanamu's 1960 MG MGA 1600, and Jim Sinnes' 1978 Lincoln Mark V convertible.

Our favorite caterer, Amy Troutner, prepared a wonderful lunch which we started when we finally got everyone in from the parking lot. The meeting was called to order after lunch by president Peter Escobedo followed by reports by the Vice president Marty Hanson, Secretary Tom Ortiz, Treasurer Jay Remick and Membership Director Brian McCann. The club has grown over the last year by another 10%, the treasury increased slightly over the last year, and event attendance broke the records set last year...good year by any measure.

Tom Ortiz did a quick review of last year's events and looked forward to events this year as well as the West Coast Meet 2016 – ***California Dreamin' featuring convertibles*** to be held at our new venue in Atascadero. We will start registration for WCM on the first of April.

*gaggle - (1) a flock of geese -or- (2) a disorderly or noisy group of people

(continued on page 5)

President's Message

A big thank you to all club members who came out to the Annual Business Meeting for 2016. If you were in attendance you are aware that our club is in great standing. We've had record attendance at our tours and are currently more financially stable than we've ever been in the history of the club. A big dose of appreciation goes out to the volunteers and board members for making this happen. We also appreciate everyone's suggestions and comments that were made for the upcoming year's calendar. We are currently reviewing all proposals and should have a list of events soon.

The other big news is this year's West Coast Meet in Atascadero. I can't stress enough how excited the board is for this year's event. It is really shaping up to be an affair to remember with lots of *new* activities and surprises! If you're a regular to the annual meet (and why shouldn't you be?) you know it's all about the camp, cars and camaraderie. Well this year it's going to be even better! Putting on the event takes a lot time and energy, so please think about volunteering your time or service. We can use as many members as possible. Registration will start on April 1st. (no foolin') so start thinking about those outfits you're going to pack in the convertible. Get ready for the summer of LOVE!

Peter Escobedo

Freewheelers First Tour of 2016 is a Sweet Trifecta!

Join us on Sunday, March 20!! We have made special appointments with Specialty Auto Classics in the Benicia and Fairfield locations, and in between we will stop by at Jelly Belly Company where we can take factory tour and do some candy shopping readying for Easter! We hope many of you can join us for all three stops, but you can design your day as you please.

At 10 a.m., meet at Specialty Auto Classics Benicia Showroom: 5200 Gateway Plaza Drive, Benicia, CA 94510 (707-748-4000), where we will start with our customary tire-kicking and donuts & coffee, followed by tour the showroom.

From Benicia, we will head out to the Jelly Belly Candy Company: One Jelly Belly Lane, Fairfield, CA 94533

Unfortunately, they will not take pre-reservation for their factory tour. We need to be in line as their guides take groups of 20 or so for the 40-minute walking tour (interval will be every 15 minutes or so). The factory won't be doing actual production on Sunday, but tour guides will show you a real working factory where they cook up over 150 different sweet treats, and Video monitors show the different steps of their famous candy making process as you walk through the route.

**If you would like to take the tour, we recommend you to get in the line as we arrive Jelly Belly.*

We may re-group at Jelly Belly parking lot around 2:30 to head out to Specialty Sales Classics Fairfield Showroom, or we may meet at the showroom after lunch at eatery of your choice. The showroom will be ready for us at 3 p.m.: 103 Commerce Court, Fairfield, California 94534 (707-419-8200)

At-a-Glance:

What: Sweet Trifecta Drive Tour
When: Sunday, March 20, 2016, beginning in Benicia at 10 AM
 You may wish to join us at the Jelly Belly Factory in Fairfield where we'll be gathering around noon
 Lunch on your own (some recommendations below)
 Tour of Specialty Auto Classics in Fairfield begins at 3 PM
Where: Beginning at Specialty Auto Classics Benicia Showroom: 5200 Gateway Plaza Drive, Benicia, CA 94510
Fee: \$5 event fee, lunch on your own
RSVP: Upcoming Eventbrite Invitation or contact Jay Remick at (831) 601-8080 by Friday, March 18.

Directions to the Specialty Auto Classics Benicia Showroom:

From the Bay Area: Follow I-680 N to Lake Herman Road in Benicia. Take exit 61 from I-680 Turn right onto Lake Herman Road, go 125 ft, then turn right onto Gateway Plaza Dr. Showroom is on left.

From the Valley: Take I-80 W to Lake Herman Road in Solano County. Take exit 61 from I-680 S Turn right onto Lake Herman Rd, go 125 ft, then turn right onto Gateway Plaza Dr. Showroom is on left.

The Freewheelers 2015 Treasurer's Report

– by Jay Remick, Treasurer

It is once again my pleasure to serve as treasurer for the Freewheelers during 2015. We presented the financial results at the Annual Planning and Business meeting and this report is for those who were unable to attend. We have had another very good year with membership, attendance at events and assets in the treasury all increasing in the last year. Of course, this was the year we do not host West Coast Meet, so the numbers are smaller overall

Assets at the beginning of the year were \$62,340 and at the end of the year were \$64,781.

<u>Income</u>		<u>Expenses</u>	
Dues	\$ 9,455	Insurance	\$ 1,816
Events (net)	\$407	Flyer/Web/Roster*	\$ 1,056
Misc.	\$6	Paypal/Eventbrite	\$987
.....		Awards	\$523
.....		Office/Misc.	\$599
.....		WCM Cocktail Party	\$946
.....		Rent for Meetings	\$1,500
TOTALS:	\$ 9,868		\$ 7,427

*printing of the Flyer and Roster are donated to the Club

Net Gain from operations: \$ 2,441

Looking forward, we organized an Ad Hoc Financial Committee this year to manage and plan for the treasury and holding of reserves. We will in the future hold a target amount equal to 1½ times the operating budget. Currently our operating budget is about \$10,000, so we will hold \$15,000 in reserve. We have also developed guidelines for strategic giving and partnership for the future of the club. See article in this Flyer. Any questions, please do not hesitate to contact me.

2015 Ad Hoc Finance Committee Recommendations

– by Eric Whitney

The Ad Hoc Finance Committee was formed following a request for member volunteers at the 2015 Annual Business Meeting. The committee met twice in 2015, on February 28 and April 12.

The goals of committee were two-fold; 1) to develop a guidance document for board decision making on finances and spending; and, 2) to develop a recommendation document for how to manage requests to the Club for financial support from outside organizations. The guiding principles of the committee's work were to take a long-term view of the Club's financial security that is realistic and sustainable for a club of our size (and also 100% reliant upon volunteer participation and oversight,) and financial decision-making focused on investment in the club's future.

The committee successfully completed both of its goals, and submitted a list of (4) recommendations to the Board for consideration and approval. The Board reviewed the recommendations from the committee at the January 2016 Board meeting and approved all the recommendations brought forward from the committee. The approved recommendations document was presented and distributed at the 2016 Annual Business and Planning Meeting, and is available in the Members area of the Freewheelers website. In general, the recommendations seek to solidify the current financial best practices of the Club regarding operating budgets, membership dues, club-sponsored events, and the establishment of an ongoing financial reserve. The committee also developed criteria to guide Board decisions regarding any disbursement of treasury funds in excess of operating budget and reserve, which includes recommendations for club administration, engagement and leadership, advertising and promotion, subsidizing events for members, and Policy and Procedures for donations/partnering with other organizations.

The Board wishes to thank the following club members who participated in the Ad Hoc Finance Committee process: Jack Adam, Richard Bae, Chris Cowan, Stuart Gunn, Tallon Knight, Kim Norback, Steve Quirolo, Jay Remick, Larry Salvador, Guillermo Velez, and Eric Whitney.

(continued from page 1)

We always are very grateful for the volunteers who make that club what it is. This year we presented fuel gifts cards to Mark Tomey for printing the Flyer each month, Roger Emmett for his boundless capacity to get things done, and Richard Bae and Glen Taber for all the help at events usually being the first to arrive and the last to leave. Dave Gilbert received mention for helping out where needed and Tom Costales for being the membership database geek and improving it each month. Christopher Slater was honored for his execution of the Holiday Party raffle. Last but not least, Todd Darling and Scott Mikkelson for their tireless energy, ideas, catering at our events, gold lamé, and a little touch of snark now and then.

We had two areas we wanted to spend some time on during the meeting. The first was the ad hoc financial committee started at last year's planning meeting and the second was the hosting of upcoming events.

Eric Whitney chaired the ad hoc financial committee to set out financial guidelines for the club as to reserves and use of funds. By way of background, the money that is in the club accounts at present is the result of donations and sponsorships and not from excess dues or event 'profit' Dues and events are budgeted to pay for expenses of running the club or the event as the case may be. The second part is how do we manage the money that we have. We have set up a process of "*strategic giving and partnership*" for the future. We have also set up guidelines for reserves to be kept in the clubs accounts. See Eric's article in this issue of the Flyer.

The second area we wanted to address is to involve more non-board members in the development and hosting of events (as it turns out, most events last year were hosted by Board members). The membership responded wonderfully so that we have new venues and new hosts for the upcoming year. Keep a look out in the Flyer for upcoming events. *We are always open to new ideas, so contact any board member with your ideas!! You can always co-host a scheduled event to 'get your feet wet.'* It's fun and very rewarding.

Last but not least, we elected new board members. Scott Mikkelson and Christopher Slater will (re)join the board. Scott will be our Vice President/Events Coordinator and Christopher will take the lead with promotions and advertising.

What a wonderful day with great friends, clear weather and a picturesque setting!

TOP to BOTTOM: Paul Baker and Scott Prickett with their 1961 Pontiac Tempest, New member Matthew Lundberg with his 1979 Lincoln Mark V, Ted "Tedsel" Downer with his latest restoration project - a 1958 Edsel Pacer 4-door hardtop. Freewheelers enjoyed the sunshine before the meeting.

THE CONTINENTAL CONTINGENT: In addition to new member Matthew Lundberg's 1979 Continental Mark V, others at the event included Tim Finnegan's 1962 Lincoln Continental Convertible, Jim Sinnes' custom 1978 Lincoln Continental Mark V convertible, Jeff Wood's 1964 Continental 4-door hardtop, and Keith Cambra's 1969 Continental Mark III coupe.

"The Jolly Green Giant" - Bill Peachee's 1958 Imperial Custom 4-door Sedan was quite a stand-out. Other first-on-tours included John McCue's 1985 Cadillac Eldorado Biarritz convertible, Bob Krambuhl's 2004 Saab convertible. Freewheelers enjoyed a hot lunch and camaraderie in the Vallejo Yacht Club prior to the Annual Business and Planning Meeting. Marc Williamson, Ted Downer and Tom Halloran remind us how to have a good time!

Introducing: **frameline!**

— by Eric Whitney

frameline™

CHALLENGE

Provide a world-class online showcase for
the world's largest LGBT Film Festival

Upon completion of the work of the Ad Hoc Finance Committee, and following the new policy and procedures for partnering with another organization, the Board approved a new community partnership with Frameline, a non-profit media arts organization in San Francisco.

Frameline's mission "is to change the world through the power of queer cinema." With its distinguished 40-year history as a Bay Area media arts non-profit, Frameline remains at the forefront of presenting diverse LGBTQ films to a discerning and influential audience demographic through the following programs:

- **San Francisco International LGBTQ Film Festival** (the largest, longest-running, most widely recognized LGBTQ film exhibition event in the world: June 16-26, 2016.)
- **Frameline Encore** (free year-round Bay Area film series)
- **Frameline Distribution** (only non-profit distributor solely catering to LGBTQ film)
- **Youth In Motion** (free LGBTQ-themed movies with professionally created curricula and action guides, to student clubs and educators in middle and high schools across the country)
- **Frameline Voices** (free viewing of LGBTQ films online, on TV, and on mobile devices)
- **Frameline Completion Fund** (grant award assistance to filmmakers for final editing and post-production work)

Why did the Freewheelers choose to partner with Frameline? For several reasons, not the least of which Frameline is a wonderful organization doing important work on behalf of the LGBTQ community, and is worthy of support. Other aspects the Board took into consideration about Frameline:

- Internationally recognized LGBTQ media arts organization, yet is rooted in the Bay Area
- Their programs enhance and promote understanding, camaraderie, support, and education of the LGBTQ community
- Frameline has broad reach through a variety of platforms, including social media (over 10,000 subscribers to their email newsletter)
- The Freewheelers will receive brand placement and endorsement as a Signature Sponsor during the Frameline40 Film Festival
- 180 films over 10 days at 5 theatres in the Bay Area (June 16-26, 2016) including the Castro Theater
- 62,000 festival attendees in 2015
- Frameline is eager to partner with us because they recognize The Freewheelers as another longstanding organization with like-minded goals of bringing similarly impassioned people together

So, what's next? Stay tuned... watch your email and the Flyer for opportunities to participate in Frameline activities, particularly as Pride month draws near. In the meantime, please visit www.frameline.org to learn more about Frameline and sign up for their email newsletter. You can also follow Frameline on Facebook, Twitter, and YouTube. You might also consider attending Frameline Encore presentations around the Bay Area. These are free screenings of LGBTQ films sponsored by Frameline, and you're likely to spy a few other Freewheelers in the audience. Currently scheduled over the new months are:

- March 24: **EXPANDING GENDER: Youth Out Front** (2016 Youth in Motion Collection) at the Piedmont Theatre in Oakland; and,
- April 25: **ALEX & ALI** at the Roxie Theatre in San Francisco.

You can find out more about these screenings and other Frameline activities and Frameline.org. See you at the movies!

Treasurer Jay Remick presents a check to Frances Wallace, Executive Director of Frameline.

– by Frieda Freewheeler

Listen up, boys and girls...I just got back from the Springhill Marriot in Atascadero where we'll be hosting the 32nd annual West Coast Meet. We checked out the food and facilities, as well as dished with the hotel staff about West Coast Meet 2016! And let me tell you, we have quite an exciting event planned for July 7th through the 9th! In addition to a wonderful car show featuring convertibles, we'll see the return of Drag Queen Bingo, outdoor movie night, and a song-and-dance filled awards show!

Other special events in the works include live tribute bands to perform during our Happy Hours, local vintners providing wine and beer tasting, a synchronized swimming challenge to be held in the beautiful outdoor pool, a new-and-improved Friday drive tour through the rolling hills of the area, and a special game show revival planned for Friday evening!

In all my born days (and there have been plenty), I've never experience a West Coast Meet with so many new and exciting things to do! Including the venue...the Springhill Marriot in Atascadero is brand-spanking new with a classy-casual decor and open floor plan – both indoors and out – that seems specially designed to facilitate the likes of us! A "ginormous" grand ball room will easily accommodate our numbers for delightful dinners and shows, and balmy summer weather will entice us to continue the party outside with plentiful outdoor seating, the aforementioned pool, a cozy fire pit and a grassy area for outdoor performances. There's even a trail that surrounds the property for those who want to get in an invigorating walk!

And you can count on the traditional West Coast Meet accommodations such as car washing facilities, parking lot security, a hot and healthy breakfast buffet, and special "extras" in store for the first 100 to register! So dig out your tie-dye and bell bottoms, throw a mattress in the back of the microbus, and "be sure to wear some flowers in your hair" as we celebrate the Summer of Love in Atascadero! Event registration begins next month, so watch the Freewheelers Flyer, website and Facebook page for details. We'll be revealing more and more details of the event as well in the coming months, so stay tuned - you're not going to want to miss it!

Application for Membership/Membership Renewal

Hello fellow auto enthusiast! Please complete the application, sign the bottom of the form acknowledging the club's liability policy, and return it with your check for or money order (includes access to our club roster, monthly newsletter, and privileged website access). You can also register and pay using your PayPal account at www.thefreewheelers.net and clicking on 'contact us / join'

Membership Rates for 2016: The membership rate will remain the same at \$50.00 per year, HOWEVER, for those wishing to receive the flyer and the roster digitally/online without a print version there is a \$15.00 discount (\$35. per year). Membership is the calendar year from January 1 to December 31. New Members who join on or after October 1 will have the following year at no additional charge (up to 15 months).

Couples have 2 Options:

First option - Membership is for both if you use one listing for both you and your partner have one address and the same cars listed. Both names will be included in a separate section in the Roster that cross-references partners' names.

Second option - If both of you want individual listings, each must pay individually for two separate memberships. In this option, both of you can receive your own copy of the Newsletter and Roster⁺

Applications without signature and payment cannot be accepted (applications are subject to approval by the Board of Directors).

Many Freewheelers have e-mail addresses. The listing of your e-mail address provides another communication channel for members and event notifications such as EventBrite. The optional occupational listing is for the Board's access only and is not available to the general membership. From time to time the Board seeks advice on subjects relating to the club's needs.
